OPERATIONAL HIGHLIGHTS

In Q2 2024 PlusPlus concentrated its managerial resources on preparation of the restructuring processes in Estonia and Luxembourg.

- A court hearing was held in Estonia on 2 July 2024. PlusPlus anticipates receiving the decision promptly upon the judge's completion of the review of the case.
- In Luxembourg, the reorganization plan was sent to bondholders on June 27. Voting is currently in progress, and similar to the parent company's case in Estonia, bondholders can choose between three different payment plans. Investors can cast their votes until July 10, and the result will be computed by tabulation agent on 12 July 2024.
- PlusPlus is prepared to start executing the plans immediately upon courts' approvals.
